PROFILE

Application Developer with hands-on internship experience at HIROTEC India delivering enterprise solutions like Smart Feedback System and Doc-Finder. Skilled in JavaScript, ReactJS, NextJS, MongoDB, GitHub. Combines a strong academic foundation with a passion for building scalable web applications and solving complex business problems.

TECHNICAL SKILLS

- Web Technologies: HTML, CSS, JavaScript, React.js
- Database: PostgreSQL, MongoDB
- Programming Languages: JavaScript, Next.js (core)
- Tools & Platforms: Git, GitHub, VS Code
- Other Tools: MS Office (Excel, Word, PowerPoint)

SOFT SKILLS

- Critical thinking
- Effective communication skills
- Teamwork and collaboration
- Time management and organization
- Adaptability to new technologies

CORE COMPETENCIES

- **Full-Stack Web Development** – Experienced in developing responsive and scalable web applications using modern frontend and backend technologies.
- **Application Development** – Skilled in designing, developing, testing, and maintaining business-oriented software solutions.
- **REST API Integration** – Knowledge of integrating APIs for seamless communication between frontend applications and backend services.
- **SEO Optimization** – Implemented SEO techniques to improve website visibility, search performance, and user accessibility.
- **Software Testing & Debugging** – Proficient in identifying bugs, troubleshooting issues, and enhancing application performance and reliability.
- **Database Management** – Experienced in working with PostgreSQL and MongoDB for efficient data storage, retrieval, and management.

EXPERIENCE

Posnic Innovation Pvt Ltd, Keezhiyur – Intern , Billing Software & Kiosk Testing (May-June 2025)

- Gained hands-on experience in billing software testing, kiosk customization, bug analysis, and scanning/printing modules.
- Improved knowledge of customization, debugging, and system performance checks.

HIROTEC India Pvt Ltd, Keeranatham - Application Developer Intern (May-July 2026)

- Developed and enhanced Proof-Of-Concept web applications including Smart Feedback System and DocFinder Apps
- DocFinder - App implemented with document search functionalities, database integration and feature enhancements to enable faster file search capabilities.
- Performed application testing, debugging, and maintenance while collaborating with team members to deliver reliable software solutions.

PROJECTS

1. Hire-Radar

Technologies: React.js, Node.js, PostgreSQL

- Developing an AI-powered recruitment platform for candidate sourcing, resume screening, and hiring workflow management.
- Building assessment and candidate management modules to streamline the recruitment process for HR teams.

2. Smart Feedback System

Technologies: React.js, JavaScript

- Developed a digital feedback management platform with secure user authentication and real-time feedback collection.
- Designed an intuitive dashboard for analyzing feedback responses and improving user engagement.

3.Doc-Finder

Technologies: React.js

- Built a document search and retrieval system with content-based search capabilities for faster document access.
- Implemented optimized file search and indexing techniques to improve document discoverability and search performance.

4.Personal Portfolio Website

Technologies: HTML5, CSS3, JavaScript, Netlify

- Built a professional portfolio platform to present software development projects, technical competencies, and career achievements.
- Optimized website performance and responsiveness across desktop, tablet, and mobile devices for improved accessibility.

5.Online Voting System

Technologies: HTML, CSS, JavaScript

- Developed a secure online voting platform with voter authentication and candidate management features.
- Implemented vote counting and result generation functionalities to ensure a transparent voting process.

EDUCATION

B.Sc. Computer Science | St. Joseph’s College, Trichy

Year of Completion: 2023 – 2026

HSE (Class XII) | St. Xavier’s School, Nagapattinam

Year of Completion: 2023

SSLC (Class X) | St. Xavier’s School, Nagapattinam
